Provide narrative for analysis of program enrollment. *(Is enrollment increasing or decreasing? What are possible reasons for increase/decrease? Describe any action plans to improve or increase program enrollment.)*
 We met our standard and exceeded our target. Hosting the WCPS Teacher Cadet Program on WCC campus for their class has given more high school students the opportunity to study on our campus. We continue to work with local school district, colleges, and universities to recruit more teachers. This degree remains to be dominated by females, but we will encourage males to consider this career option.
