601 S. College Road
Wilmington, NC 28403-5956

UNCW is an EEO/AA institution. UNCW does not discriminate on the basis of sex. Questions regarding Title IX may be referred to TitleIX@uncw.edu.

About the Program

The unique program is designed for students with an Associate of Applied Science in Human Services Technology or an Associate of Applied Science in Human Services degree from a North Carolina community college to complete their bachelor's degree in social work.

To be eligible for the HST to BSW program, students must first meet all requirements and gain admission to University of North Carolina Wilmington from the Office of Undergraduate Admissions.

Students must submit transcripts demonstrating successful completion of an Associates in Applied Science degree from a North Carolina Community College in one of the following areas:

- Human Services Technology (A45380)
- Human Services Technology: Addiction and Recovery Studies (A45380)
- Human Services Technology: Mental Health (A4538C)
- Human Services Technology: Gerontology (A4538B)
- Human Services Technology: Social Services (A4538C)

Student Experience

- Can be completed in up to five semesters.
- Fully online courses and a field practicum in your community during your senior year.
- Study abroad opportunities.
- Participate in faculty research and community work.
- Join student organizations and the National Association of Social Workers
